FRIDAY EVENTS:

WARM UP GAMES

A great way to familiarize your dog with the equipment and the outdoors trial rings!!

Friday's Warm Up Games: open ring format, with no judge, you will be timed: 70 seconds max. You can run the course or practice. Courses will be designed without jumps – lots of contacts, weaves and tunnels – warm ups will not go by height class (we will attempt to group spec/vets and regulars as often as possible to save lowering/raising aframe every dog) **NO FOOD OR TOYS ALLOWED IN RING.**

WARM UP: GAMES 1 & 2: 9:30 AM – 4:30 PM

AAC STEEPLECHASE ROUNDS

Hosted by the
K9 CLIFFHANGERS

Steeplechase 1 Judged by: *Tracey Mallinson* (Maple Ridge, BC)

Steeplechase 2 Judged by: *Rob Struthers* (Prince George, BC)

STEEPLECHASE 1 & 2: There will be two walk-throughs and start times (morning and afternoon - both steeplechase) to allow travelers to compete in the steeplechase rounds.

Any dog with AAC# can enter. Dog does not have to be entered in the Regional events to participate in these rounds. You can register your dog(s) for AAC Steeplechase runs on the Regional entry form

The K9 Cliffhangers are hosting two AAC sanctioned Steeplechase events Fri June 5, 2015 at Thunderbird Equestrian Show Park, Langley, BC.

- Each Steeplechase run is \$18 each to enter
- Both Steeplechase runs are open to anyone who meets AAC eligibility requirements (the dog does not have to be entered into the BCY 2015 Regional Competition to enter the Steeplechase events).
- You will be able to earn an AAC Qualifying score in each class, based on AAC sanctioned rules for Steeplechase events
- Placement and Qualifier ribbons will be awarded

SUNDAY EVENT:

In the interests of fun, excitement and great laughs! – and while we await the announcements of Regionals cumulative scores/placements, we are pleased to offer a Steeplechase Run-off event on Sunday, which will include a cash/prize award for the first place winner in each height/division (other cash placements may be awarded based on size of the class)

After all the Sunday regional events are complete, the BCY 2015 Regionals Committee will host a Steeplechase Run-Off (non-sanctioned) based on the results from the two steeplechase events on Friday. To qualify for the money round on Sunday, you need to finish in the top 2 of your class of either of Friday's courses, whether you qualified for AAC purposes or not. If you finish in the top 2 in both Friday's runs, you still only get one chance to run on Sunday, but you have reduced the number of competitors you will be running against by keeping another dog out of that spot. There are potentially 4 competition spots in each of the 15 jump heights.

Each height and division will have their own cash jackpot based on the number of entries in the two Friday Steeplechase events. There will be no combining of heights or divisions.

There is no fee to enter the run-off round (but it is only open to those who are invited to run based on Friday's results). Qualifiers list for the Sunday event will be posted Sunday morning in the results area along with the jackpot amounts for each runoff. The K-9 Cliffhangers will be donating the net proceeds from the Friday Steeplechase events to the cash jackpots.

SECURITY: A wristband will be required for the competitor's patrolled crating area. There will be security on site overnight around the competition rings and designated crating area. However, we must stress - **competitor's property on site is left at their own risk.**

SHADE TENT/CRATING AREA: Crating is available in the designated area. Because of the number of entrances and the ease of climbing the fence, there will not be a monitored security **entrance** into the area. However, we will be providing marked security personnel to patrol the crating areas/isles. There is unsecure crating in various areas in the grass around competition rings. Competitors must provide their own shade tents. Reserved crating is available, please go to the website for instructions/reserving.

VENDORS: There shall be NO unauthorized vending at this event, including competitors from their shade tents or crating stalls. Please contact Joanie-Leigh at agileted@gmail.com for vending/booth information.

CONCESSION:

Lori's Donair will be onsite Friday to Sunday; second vendor in the works.!

SATURDAY NIGHT BBQ

Please purchase your dinner ticket with your registration. A VERY LIMITED number of BBQ tickets MAY be available for purchase at registration on Friday (but no guarantee!).

REGIONALS RULES (Abbreviated version)

Complete rules can be found on the AAC website:

<http://www.aac.ca/en/regionals/main/default.aspx> (please review the Regional Rules documents as posted online – below is **ONLY** a few rules of note) – it is the competitor's responsibility to be familiar with AAC Regional Rules for competition at this event.

The Agility Association of Canada's Regional Championships are a prestigious event unto themselves and a steppingstone to the AAC National Championships. Dogs must qualify at their Regional Championships to be eligible to enter the AAC National Competition.

JUDGING RULES

For standard/jumpers rounds the following modifications to the existing AAC Rules for scoring a Master Standard/Jumpers rounds apply:

- Three refusals will not result in elimination (all refusals 5 faults no max.)
- Wrong Course will not result in elimination (all instances 20 faults no max.)
- Non-completion will not result in elimination (all instances 20 faults no max.)
- Elimination or dismissal will result in dog not scoring any points for that event.
- Competitors that do not run in an event will score no points for that event
- If a handler intentionally directs a dog to repeat an obstacle, the run will score no points and the dog and handler must leave the course at standard course time

For Gambler Rounds, judged at Masters Gamblers rules, except:

- All wrong/off courses after the closing gamble has begun (after the first gamble obstacle has been attempted) will be recorded as a failure to complete the final gamble.
- There will be no refusals called in either mini gambles or final gamble.
- If a dog takes two gamble obstacles in sequential order in the opening sequence the judge shall blow the whistle and the competitor shall retain all opening points up to that time.
- If the handler purposely touches the dog as a form of encouragement or reward in the opening sequence, the run instantly becomes an FEO run and scores zero points.
- The judge may inform the handler that the signal to start the closing gamble has sounded and the handler must attempt the closing gamble to retain points. They may still attempt the closing gamble after final signal (indicating allotted gamble time is up) in order to retain opening points.

PRIZES AND AWARDS

Rosettes and Trophies for the Regional will be awarded to the Regional Champions. Ribbons for 1st through 6th place in each category and jump height for each of the 6 Regional events, as well as Qualifying ribbons for those teams that earn 350pts. DOUBLE DROP VETS!

PLEASE! If you do not know if your dog is a double drop vet, ask an agility judge! If your dog is now jumping two jump heights below what would be his REGULAR jump height – your dog is DD vet. It doesn't matter if your dog immediately started in Specials then later went down only one jump height to vets, your dog is a DD vet.
