## COVID COMPLIANCE MEASURES

### **MASKS:**

To protect our judges and officials, **exhibitors are required to wear a mask** while in the ring and when in the club and officials' area. Exhibitors must provide their own mask or other suitable face covering.

### **SAFE GROOMING:**

Safe distancing is required between grooming sites, and STA will be enforcing this requirement in all areas of the grounds. **IMPORTANT:** Exhibitors are responsible for containing their own garbage, hair and other refuse, and for removing it from the grounds at the end of the show.

### **FOOD:**

As we are unable to provide food sales or hospitality, please bring a "brown bag" lunch and other refreshments. Food may also be purchased in town at Subway and the Delisle Hotel.

### **SANITATION:**

There will be portable toilets with a cleaning station at the site.

### **RING PROCEDURE:**

**Armbands and catalogues will be distributed prior to start of judging** where possible. If we cannot find you, they can be picked up as a package at the Show Secretary's table.

Exhibitors are required to wear a mask while in the ring and all areas where club officials are working, and to observe physical distancing of a 6' between dogs while inside the ring. Anticipate modification of ring procedure, **please listen carefully to your judges and stewards** for direction.

**Ringside benching, trolleys, and tables are prohibited.** They may be used in the staging area so long as responsible distancing is observed and they are removed at the conclusion of your breed judging. Please do not bring dogs to ringside until the breed before you is finishing up.

**Ribbons and prizes will not be handed out by the judge**, but will be near the ring exit for exhibitors to retrieve after the judge's book is marked.

### **SHOW SITE:**

This is an outdoor show site with plenty of trees. Please be considerate of your neighbors to ensure everyone has access to shade.

**A pop up or other wind/sun/rain protection is strongly advised, this site can be breezy.**

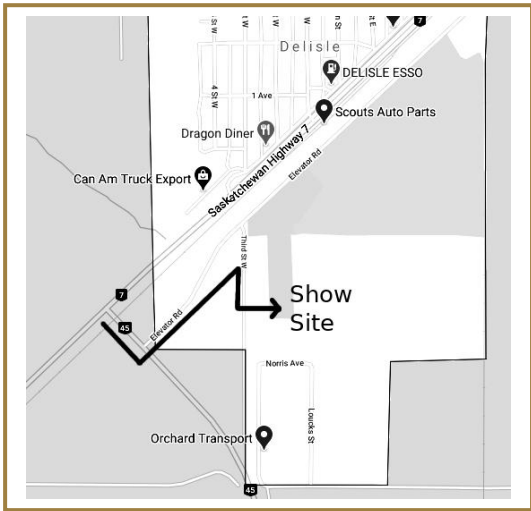

Please check the forecast and prepare accordingly.

**There is no electricity or running water on the grounds.**

Generator time can be arranged (shared) to prepare dogs, and water is available in town. Please contact Kate McMillan [katewerk@sasktel.net](mailto:katewerk@sasktel.net) PRIOR to the show for assistance.

This is a well grassed site with mature turf. **In event of rain please avoid parking heavy vehicles where turf may get damaged.**
