SUMMARY OF RULES AND LEVELS – See official CKC rulebook for details.

DIVISIONS: There are 3 divisions – Regular, Selected, and Veteran. A dog may enter classes in any division but, in selected, may not move back and forth between divisions during a trial. Veterans cannot move back to regular.

Regular division is for all dogs of any breed and any level and any jump height.

Selected division is for dogs that need more time or should not jump the regular jump heights. They run the same course as Regular dogs but jump one height lower and receive 10% more time than Regular division dogs. Dogs moving into the Selected or Veteran division can move laterally, and take any legs they have earned in the Regular division with them. Once a dog has moved to the Veteran division it may not move back to the Regular division. Dogs may move from the Selected division to the Regular division. However, they cannot take legs earned in the Selected division to the Regular division but must either start at the level they were already at in the Regular division or start at Novice if they had not previously run in the Regular division. The dog must be entered only in Selected division and may not move back and forth between the Selected division and the Regular division during a set of trials.

Veteran division is for dogs 7 years or older. Veteran dogs may jump 2 jump heights lower than regular jump height and receive 10% more time than regular division dogs. Dogs cannot revert back to Regular or Selected divisions. Veteran course times are based on dogs original jump height.

LEVELS: See your rule book for definitions of requirements in each level.

There are 4 levels in Standard, JWW, and PAD. Novice, Intermediate, Excellent, and Master Excellent. No levels in Steeplechase or in Jumps and Tunnels.

Novice: A dog must be started at the Novice Level for each Class: Standard, Jumpers with Weaves, and PAD.

Intermediate: Is open to dogs that have acquired the Agility Novice title, and to those dogs which have acquired the Agility Intermediate title but have not yet acquired a qualifying score towards the Agility Excellent title.

Excellent: is for dogs that have acquired the Agility Intermediate title, but have not yet earned the Agility Excellent title.

Master Excellent: is for dogs that have acquired the Agility Excellent title or the Agility Master Excellent title.

Height Divisions-owners are responsible for entering the correct height divisions. The judge may require any dog to be measured.

Dog height at withers	Regular Jump Heights	Selected Jump Heights	Veteran Jump Heights
11” and under	8 inches	4 inches	4 inches
Over 11” up to and including 14”	12 inches	8 inches	8 or 4 inches
Over 14” up to and including 18”	16 inches	12 inches	12 or 8 inches
Over 18” up to and including 22”	20 inches	16 inches	16 or 12 inches
Over 22 inches	24 inches	20 inches	20 or 16 inches

NOTE: As of January 2020, some breeds are allowed to jump one or two heights lower. See the rulebook for more information.

Selected and Veteran course times:

10% will be added to the standard times.

All courses have clearly designated start and finish lines with all obstacles/jumps clearly and sequentially numbered. The course layout for each class will be posted in an easily accessible area at least ½ hour before the start of the class.

NOTE: SAME DAY MOVE UPS WILL BE ALLOWED. e.g. Novice Standard Trial #1 to Intermediate Standard Trial #2.

See event secretary for official form.

Equipment and course familiarization:
