Limited Entry

OBEDIENCE: Entry in each obedience trial will be limited to the capacity of the judge to judge at the rate of 9 Pre-Novice, 8 Novice and Novice Intermediate, 7 Open, and 6 Utility dogs per hour. A judge may not be assigned more than 7 hours of judging.

RALLY: Entry in each rally obedience trial will be limited to the capacity of the judge to judge at the rate of 15 dogs per hour less time for walk-throughs. A judge may not be assigned more than 7 hours of judging.

Once a judge has reached his/her capacity, entries for that trial will be closed even if the closing date has not been reached. In the case of the entry limit having been reached, remaining entries will be assigned a position (by class) on a reserve list. Exhibitors will be notified of their position on the reserve list. If the entry of a bitch in season is pulled after entries are closed, it may be substituted with one from the reserve list up to and including the day of the trial. If the entry of another dog is pulled prior to the trial, it may be substituted with one from the reserve list up to 24 hours prior to the trial.

Refund Policy

If, because of riot, civil disturbance or other acts beyond the control of management, it is impossible to open or to complete the show, no refund of Entry will be made

Bitches in season are not permitted to compete. When a bitch comes into season after entries close, a Veterinarian's Certificate, certifying that the bitch was in season within ten (10) days of the trial, must reach the Trial Secretary on or before the day of the trial, prior to the judging of the class, and the club will refund the entry fees.
