**JUDGES PROFILE**

**Karen Brearley**

I took my first obedience class with a Golden Retriever named Brew but never showed him. It wasn't until our first Tervuren in '93 that I was introduced into the world of competitive obedience. My Tervs, Poms and Shelties have brought home High in Class and High in Trial wins. We also compete in conformation, herding, agility and rally. My first sheltie, finished her championship, earned a rally and herding title all before one year of age. More recently, she has completed her Obedience Championship and Herding Championship. She was awarded the TOP VERSATILITY DOG at the ASSA 2013 NATIONALS and the TOP VERSATILITY at the 2010 Canadian Nationals. She has ranked in the top 10 Herding dogs at the Intermediate and Advanced levels for the past 3 years. I am now working with my younger sheltie who has a Rally title

and 2 legs of Herding Intermediate with a High in Trial...

I am certified to judge in all levels of obedience as well as rally and am a CGN Evaluator. I have volunteered as an instructor for the Junior Kennel Club and also as an evaluator for the St. John's Pet Therapy Program. Ember and Kitty were members of a K9 Vaudeville act who performed in care homes and hospitals. **I love that my dogs make people smile!**

**Norma Schaffer**

My life with dogs began early with my father's hunting dogs, a pair of Springer spaniels. Recognizing my interest, a family friend introduced me to the Vancouver Junior Kennel Club where I became involved with obedience training. Education and work took priority for a few years, but when the time was right, I acquired a Springer puppy, became involved with obedience training once again and have had one or more Springers in my household since then. I have trialed my own dogs since 1975 and became an obedience judge in 1988 and a tracking judge in 2013.

I am actively involved in tracking, obedience, rally, spaniel hunt tests, and the St. John Ambulance therapy dog program. Presently I share my home with yet another Springer with whom I am enjoying all of these activities and have even ventured into the conformation ring for the first time! I hope that each competitor who enters my ring has a good experience, regardless of the score they achieve.
