Masters Series Tournament Rules 2015

The aim of the Masters is to encourage more competitive running in UKI classes and improve the overall standard of top level agility. The Masters has been created for dogs and competitors whose goal is to compete at both National and International level.

- The Masters is considered one class made up of 2 rounds: an Agility and Jumping round with results combined.
- Entry open to ALL dogs.
- Separate competition for each jump height.
- Running order for Agility will be in reverse order of Jumping results.
- Cumulative scoring; dog with the lowest score wins. Faults converted into seconds (5 faults = 5 seconds) and time faults treated the same as course faults but converted on a 1:1 ratio.
- Winners in each height of the Agility round and the Jumping round qualify for the Masters Series Final.
- If 1-5 dogs are entered in a jump height 1st & 2nd place from the combined scores of Agility and Jumping rounds qualify for the Masters Series Final. If 5 – 10 dogs are entered in a jump height 1st - 3rd will qualify, above 10; 1st – 4th will qualify.
- Prize money to be paid out to at each heat for the combined winners per the prize fund below.
- In the event of a tie for the combined results, the result from the Agility round will be the deciding factor. If there is still a tie, the dogs will compete in a run-off on the 2nd rounds course.
- Eliminations will result in 100 faults with a 60-second course time.
- Dogs that score 320 cumulative and over will not be placed nor awarded prize money.
- A no-show in either class will result in a disqualification from the class (this means that both classes will have no score) and therefore will not be eligible prizes and awards or eligibility to qualify for the Final.
