CLEANUP: All exhibitors will be held responsible for clean-up on the show site and surrounding areas for their own dogs or dogs they are handling. Anyone caught not cleaning up after their dogs WILL BE PROHIBITED FROM SHOWING their dog(s) or dogs at this event.

This is a new location for us and there are a few rules we are obligated to follow as given to us by the management of the sportsplex.

- **NO XPENS ARE PERMITTED!!**
- **There is to be NO food brought in or consumed within the show premises. All that is allowed in is bottled water.**
- **It is suggested that all crates have a waterproof covering under it. It would go a long way to show our respect for the venue.**
- **Please exercise your dogs frequently to avoid accidents in the building.**
- **Bait is permitted but must not be thrown in the rings. This will be strictly enforced.**
- **There is RV parking available but no services.**
- **There are a limited number of large dressing rooms available inside the building with power that are available for rent for \$100 for the weekend.**
- **For those with a large amount of gear to unload please use the large double doors that are around the back of the building. It will make your job easier.**
- **Power is limited in the building and will require long extension cords with only one cord per outlet and no sharing of the cord because of the amount of power used by dryers. We urge people requiring significant amounts of power for long term use to rent a dressing room. They are large enough to share and have ample power.**
