## CAMPING AT THE SHOW

There will be some trailer parking available with limited electric hook-ups. There are NO showers available but water should be available for trailer fill-ups. No generators running after 10 pm. The building is located near a residential area and we want to keep our reputation for a quiet and clean show. **NOTE: During show hours electrical power for the building will take priority over campers.** Camping fee is \$15 per night or \$35 for the weekend.

## MOTELS & CAMPING

The following hotels/motels are within easy driving distance of the show site. Motels accepting dogs are becoming harder to find due to some inconsiderate guests. Exhibitors will be held responsible for any and all damages. Please crate your dog/s when leaving them alone in the motel room.
