## **Classes Offered**

### **Regular Selected Veterans**

Standard, Points and Distance, Jumps and Tunnels, Steeplechase and Jumpers with Weaves

The owner may choose to enter the Selected Category in lieu of entering the Regular Category at any trial. The dog must be entered only in Selected Category or in Regular Classes and may not move back and forth between the Selected Classes and the Regular Classes in the same trial, or associated group of trials. Once a dog is entered in the Selected Classes, the dog may go back to compete in the Regular Classes in a different trial.

Dogs moving into the Selected class move laterally, and may choose to take any legs they have earned in the Regular classes with them.

Veterans Class: A dog 7 years or older may be entered in the Veterans class. The dog will retain its titles and qualifying scores previously earned but may not revert back to the Regular or Selected Classes once it has run in the Veterans class.

Novice class is open to dogs that have not acquired an intermediate leg (qualifying score) in the class entered.

Intermediate class is open to dogs that have acquired the Agility Novice title, and have not yet acquired a qualifying score towards the Agility Excellent title in the class entered.

Excellent class is for dogs that have acquired the Agility Intermediate title, but have not yet earned the Agility Excellent title in the class entered.

Master Excellent class is for dogs that have acquired the Agility Excellent title in the class entered.
