Whether or not you are an ESCA member, please consider volunteering

You can make a difference, even if you can help out for an hour or so... Easy ways to volunteer at a lure coursing field trial (and you don't even have to be a club member):

Field Setup:

- Come early (one hour before roll call) and start by carrying equipment
- Learn as you go how to place pulleys and tie downs, eventually how the field is set up and how the machine works

Field Clerk:

- Volunteer to help the field clerk for even one or two breeds
- Learn how scores are tabulated and recorded – when you are comfortable with this you will be able start helping the field trial secretary
- Benefit is you will get a whole new perspective on the course and may learn by listening to the judges

Runner:

- Volunteer to run paperwork from the field clerk to the field trial secretary after each breed
- Scores can only be posted as quickly as the paperwork is delivered to the field trial secretary

Lure Operator:

- Hang around and talk to the lure operator between courses
- If you're interested, try running the lure around before the trial, at lunch, or after the trial at practice

Lunch:

- Volunteer to help set up lunch, serve and collect money

Practice:

- Give the volunteers who have been working all day a break!
- Take the practice list, call out the names and collect the money

Fundraiser:

- It's great when people donate things, but even better if you can organize and execute a fundraiser whether it be a 50/50 draw, raffle, silent auction etc – doesn't have to be complicated or too time consuming
- Feel free to do this at any trial

THANK YOU FOR VOLUNTEERING.

Everyone will appreciate your efforts, and the trial will run more smoothly
