

**THUNDER BAY KENNEL & TRAINING CLUB**

**CONFORMATION SHOWS JUNE 9-11, 2023**

**CHIPPEWA PARK, THUNDER BAY**

**A reserved tent site, at ringside**, must be reserved ahead of show time. First row can be reserved for \$30 per 10 x 10 foot area. Second row tent space is free.

There will be **NO GENERATORS** in the reserved grooming spaces at ringside. If exhibitors absolutely do need a generator, there will be marked space at the Chippewa Road area of the field. We ask that quiet generators are used for coat touch-up only. Please do not bring totally wet dogs to be completely dried. Generators are not to be used for fans, coolers, etc. [We have to respect the residential and camping communities on the park property and do not want to have day long noise from multiple generators. If requested by park residents and staff, we may have to discontinue the convenience.](#)

**There is only 1 way to submit the tent space reservation** and that is to send this request to the following email with a credit card payment attached. Although the form will be posted on Entryline, they **WILL NOT** be accepting any inquiries or payments regarding the reserving of tent space.

The email to send your paid reservation to is: [luck.sillette@gmail.com](mailto:luck.sillette@gmail.com)
