Excerpt from CKC Rules & Regulation for Hunt Tests

Chap.18: Sec.7: "It shall be the duty and obligation of the event giving club to see that a judge, club official, volunteer, or any participant at a hunt test held under these regulations, is not subjected to indignities of any kind. The Hunt Test Committee Chair shall promptly report to the Canadian Kennel Club any infringement of this regulation, and the Discipline Committee shall have the authority to take such action as it deems fit on receipt of a report indicating this has occurred."

For Your Information:

- COVID protocols as set forth by the HNPHU will be in place. Place retrieved birds as directed.
- The marshall is in control of the stake. Do not approach the judges directly. Ask questions during the handler's meeting at the start of each test. Otherwise, direct inquiries through the marshall.
- Please check in with the stake marshall upon arrival at your stake. It is the responsibility of the handler to inform the marshall if they have dogs running in other stakes. **If double staked, please report to Master first.** The marshall has the authority to move dogs for the efficiency of the test. Please get your dog promptly and report to the holding blind when asked to do so.
- Game birds shall be used. Live pigeons (fly-away) may be used for the flush in Master
- Shotguns may not necessarily be used. However, handlers at SH and MH will be required to handle a gun or replica during the test, and handlers in JH may be asked to carry a gun/replica. Sanitizer wipes will be available to clean the gun between handlers. At all levels the gun/replica shall be treated as though it is a real firearm. Gun safety is paramount, and unsafe gun handling can result in the handler's removal from the test.
- All handlers and observers must wear dark or camouflage clothing.
- We are a small club. It "takes a village" to put on a test. Handlers are advised that they may be asked to help operate a gun station when they are not running. Please pitch in if asked.
- Rosettes will be presented at each test site at the conclusion of each stake.
- No meals, drinks, or snacks will be available on site. Please bring your own.
