**** TEMPORARY COMPETITION NUMBERS (TCN) **** With the implementation of CKC's IT system, a new process requires all owners of unregistered, recognized breeds entering events to obtain a Temporary Competition Number (TCN). TCNs will replace the current system of entering events with "listed dogs", and will allow dogs to temporarily participate in CKC events while they pursue permanent CKC registration or an Event Registration Number (ERN). A TCN must be obtained BEFORE submitting an entry for any event and the same TCN must be used for all event entries for a dog until the dog is permanently registered. Once a dog is permanently registered or has an ERN, the TCN will be replaced with the registration number or ERN. A TCN cannot be used for Listed Breeds (MCN) or dogs that will require a (Performance Event Number) PEN or (Canine Companion Number) CCN. While there is no fee to obtain a TCN, exhibitors will still be required to pay TCN Fees (formerly called listing fees) when entering events using this number. The process of obtaining a TCN will be self-serve; exhibitors will be directed to the CKC website to complete an online application and a TCN will be issued instantly upon completion. Exhibitors may also obtain a TCN by completing a printed application and submitting it to the CKC via mail, or by contacting the Shows and Trials Division by telephone. Please note that if your dog does not have a registration number or ERN, and has already competed in a CKC event and earned points, scores, or awards, there is no need to apply for a TCN. CKC records will be updated accordingly. If you have any questions regarding Temporary Competition Numbers, please contact the Shows and Trials division at 416-675-5511, 1-855-364-7252 (toll-free), or email at information@ckc.ca

ATTENTION CANADIAN EXHIBITORS – INFO REGARDING TITLES The following is quoted from the CKC website: "The following non-member participation fee now applies and is retroactive to January 1, 2011. The non-member participation fee applies to all Canadian residents who participate in a CKC event but are not CKC members and a participating non-member can choose to purchase a CKC membership or pay the non-member fee. This only applies to dogs wholly owned by non members and is not applicable to CKC members or dogs co-owned with a CKC member. In order for the CKC to efficiently manage recording and tracking points, it's important that non-members select one of the two options within 30 days of notification or, unfortunately, we will be forced to cancel any awards and titles

Non-Member Participation Fee: An annual non-member participation fee for awards and titles will be charged to a Canadian non-member of CKC. In order to protect the awards/titles earned, the non-member will have a choice either to become a CKC member or to pay the non-member participation fee. Failure to comply within 30 days of notification will cause all awards and titles to be canceled. The Premium List must carry a note stating that "these fees apply only to dogs wholly owned by non-CKC members and are not applicable to CKC members."
