WHAT IS THE CHASE ABILITY PROGRAM (CAP) TEST?

This exciting event, developed after the ever-popular Lure Coursing, allows dogs to uncover their natural prey drive through chasing a lure - all while having lots of fun. The Chase Ability Test also provides purebreds and mixed-breeds with the opportunity to compete and earn multiple titles and certificates in a field event that all dogs are capable of performing. Two types of courses will be available: one for dogs shorter than 12 inches at the withers or brachycephalic dogs and another course for the remainder of the dogs entered. The Chase Ability program is a pass/fail event. How does your Dog earn a Pass? A dog must run alone, chasing the lure and complete the course with enthusiasm and without interruption.

ELIGIBLE PARTICIPANTS

Chase Ability Program participation is open to all purebred and mixed-breed dogs at least 12 months of age that are:

- individually registered with the CKC, or
- have an Event Registration Number (ERN), or
- have a Performance Event Number (PEN), or
- are eligible for registration with the CKC, or
- have a Miscellaneous Certificate Number (MCN) if it belongs to a CKC listed breed, or
- have a Canine Companion Number (CCN) if it's a mixed breed.

The CAP is an athletic pursuit that requires your dog to be in very good condition. Your dog relies on you to ensure this.

Females in season may not compete.

If in the opinion of the Test Committee, any entry is found to be lame, unfit to compete or a female in season, it shall not be allowed to compete and the entry fees shall be refunded.

TITLES

There are three titles dogs may earn doing the Chase Ability Program. They are:

Chase Ability (CA)

awarded to a dog that passes the Chase Ability event three times under at least two different judges

Chase Ability Excellent (CAX)

awarded to a dog that passes the Chase Ability event a total of then times (CA + 7 additional passes)

Chase Ability Excellent 2 (CAX 2)

awarded to a dog that passes the Chase Ability event a total of 20 times (CAX + 10). For every further 10 passes the dog may add a higher number after the CAX (CAX 3, CAX 4, etc.)

COURSE LENGTHS OFFERED

300 yards: For dogs shorter than 12 inches at the withers and/or brachycephalic (flat-faced) dogs.

600 yards: For all dogs not eligible to run the short distance.

AWARDS

A qualifying ribbon will be awarded to each dog that achieves a Pass grade.

A Rosette will be awarded to each dog that achieves a CKC CAP title.

ATTENTION

It shall be the duty and obligation of the test-giving club to see that a judge, club official, volunteer or any participant at an event held under these rules is not subject to indignities of any kind. The Test Committee Chair shall promptly report to the CKC any infringement of this regulation, and the Discipline Committee shall have the authority to take such action as it deems fit on receipt of a report indicating that this has occurred.

ALL RULES GOVERNING THESE TESTS ARE AVAILABLE ON LINE:

WHAT IS THE SPRINTER EVENT?

The SPRINTER EVENT was launched by the Canadian Kennel Club on July 1, 2018. The Sprinter is a fun event open to all dogs to enjoy the challenge of running a 100 meter dash. All dogs entered will receive a handicap score based on their height, and their time to finish will be converted to kilometers per hour. Titles are awarded upon the dog accumulating a given number of points.

ELIGIBLE PARTICIPANTS

SPRINTER EVENT participation is open to all purebred and mixed-breed dogs at least 12 months of age that are:

- individually registered with the CKC, or
- have an Event Registration Number (ERN), or
- have a Performance Event Number (PEN), or
- are eligible for registration with the CKC, or
- have a Miscellaneous Certificate Number (MCN) if it belongs to a CKC listed breed, or
- have a Canine Companion Number (CCN) if it's a mixed breed.

Sprinters are an athletic pursuit that requires your dog to be in very good condition. Your dog relies on you to ensure this.

Females in season may not compete.

If in the opinion of the Test Committee, any entry is found to be lame, unfit to compete or a female in season, it shall not be allowed to compete and the entry fees shall be refunded.

YOUR TEAM

CKC rules state that *'It is recommended that an owner or someone familiar with the dog stand at the finish in order to catch the dog once the course has been completed.'* VILCA would like to reinforce this recommendation. Please find a 'buddy catcher' to support your team. **** Not this time unfortunately, a volunteer will release your dog****

EARNING POINTS

The dog's time to complete the 100 meter dash is converted into Kilometers Per Hour (KPH). A handicap system is applied to a dog's KPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers:

- (a) 18" or greater - handicap is 1.25.
- (b) 12" up to less than 18" - handicap is 1.5.
- (c) Below 12" - handicap is 2.0.

Points - KPH multiplied by the dog's handicap. For example 20 KPH x 1.5 = 30 points. Points are rounded to the nearest whole number.

TITLES

There are four titles dogs may earn doing the Sprinter event. They are:

Novice Sprinter (NS)

awarded to a dog that earns 150 points

Sprinter (S)

awarded to a dog that earns 500 points

Advanced Sprinter (AS)

awarded to a dog that earns 1000 points

Sprinter Excellent (SX)

awarded to a dog that earns 1500 points

Sprinter Excellent 2 (SX2)

awarded to a dog that earns 2000 points. For each additional 500 points the dog may add a higher number after the SX (SX3, SX4, etc.)

AWARDS

A qualifying ribbon will be awarded to each dog that achieves a score.

A Rosette will be awarded to each dog that achieves a CKC Sprinter title.
