Move ups

Will be permitted between classes **if time permits**.

Dogs may compete in more than one level at the same trial, under the following provision. The final qualifying run for the first title must occur in the same trial as the legs for the next title. For example: A team is competing in Trial T06-0000. They have two qualifying legs on their Novice title. They sign up for 4 runs. They do Run #1 (Novice) and fail. They pass Run #2 (Advanced) and Run #3 (Advanced). Run #4 is another Novice run, and they are entered in it, too.

1. If the dog passes Run #4 (Novice), this will complete his Novice title, and his 2 Advanced legs will count toward his Advanced title.
2. If the dog fails Run#4, and does not earn his Novice title, then the Advanced legs will not count toward his Advanced title. They will become For Exhibition Only. The final Novice qualifying run must occur in the same trial as the two Advanced runs for those two runs to count. The same rules apply for teams trying for Advanced/Excellent and Excellent/Versatility titles.
You may enter any class FEO if desired.
