Handlers will receive a refund of entry fees if they have tested positive for Covid, have Covid symptoms or if this event is cancelled due to changes to BC Provincial Health Officers orders or guidelines in effect closer to the event. Handlers are welcome and encouraged to wear masks during check in and indoors.

Parking: The trial site is on the south side of the gravel parking lot across from Planet Ice at the Albion Fairgrounds. Parking can start at the north side of the building (facing Planet Ice) and form rows parallel to the building. DO NOT PARK along the east side of the gravel parking lot due to line of sight issues. We also ask that you not park right next to the building on Sunday. Cones will be set out where parking is prohibited. Officials and volunteers without dogs in their vehicles may park in the forbidden zones.

Potty areas: Dogs can potty on the west side of the gravel parking lot. Human restrooms are available between the 2 buildings. There are restrooms and food available at Planet Ice.

Etiquette: Dogs must be kept on a 6' or shorter leash while in the general area of the trial grounds (i.e. the area around the gravel parking lot) including the potty area and going to and from searches. To ensure the safety of your dogs, please keep at least 8' between dogs.

More Etiquette: Handlers are responsible for the comfort of their dogs. Please bring sufficient shade and water. There will be no indoor crating. Dogs must be contained within handlers' vehicles. Handlers may sit outside next to their vehicles but dogs must be crated outside or contained within the vehicle attached. No dogs in x-pens outside of vehicles.
